

Halloween Project

Ghosts, vampires, haunted houses, graveyards, blood, scary.....
Halloween night is the perfect time for creepy histories....

During the present project, you & your partners will have to write a very scary story.

Things you must include in your story:

-  Three teenagers.
-  The story takes place on Halloween night.
-  Your characters planned to go from door to door at night, but something scary, strange happens to them.
-  You will have to describe your characters, the night, the adventure.
-  Use Halloween words we learned in class.

-  You will present your story during our special Halloween class.
-  Your presentation must last 2 minutes
-  You can wear costume, bring accessories & music.

Your presentation will be on : _____

Have fun and.... Try to scare us !!!
